## Message from the Executive Director NB Filmmakers' Co-operative

Welcome to the 13th edition of the Silver Wave Film Festival. Filmmaking has always been a marriage of art and technology. For over 100 years, audiences have been entertained by movies that were projected through 35mm projectors. Times have changed and today cinema is digitally exhibited. It is with some sadness and a sense of nostalgia that the Silver Wave Film Festival bids adieu to its trusty 35mm projectors.

Cinema is not just about the technology though. It is also about the storytelling. Whether it be a gripping documentary, a tense drama or a side-splitting comedy, films have the capacity to put a hold on our imaginations. Art is long and time is fleeting, and films set free our imagination.

This November, we will once again roll out the red carpet for the filmmakers, the sponsors, and the industry partners and most importantly for you the audience to delight in the creativity of filmmakers from away and from right here in New Brunswick. Come out and celebrate the best in film at Silver Wave in 2013!

Tony Merzetti, Executive Director, NB Filmmakers' Co-operative

## Message du Directeur Général de la NB Filmmakers' Co-operative

Bienvenus à la treizième édition du Festival du Film Silver Wave. Faire du cinéma a toujours été un heureux mariage d'art et de technologie. Depuis plus de cent ans, le public s'est divertie en regardant des films qui étaient projetés sur des projecteurs de 35 mm. Les temps changent et, de nos jours, le cinéma prend la voie digitale. C'est avec tristesse et nostalgie que le Festival du Film Silver Wave dit adieu à ses précieux projecteurs de 35 mm.

Le cinéma n'est pas simplement technologique, cependant. C'est aussi raconter des histoires. Que ce soit un documentaire captivant, un drame à l'ambiance tendue ou une comédie tordante, les films sont capables de s'emparer de notre imagination. L'art tient bon quand le temps file, et le cinéma libère notre pouvoir créatif.

En ce mois de novembre, nous allons de nouveau dérouler le tapis rouge pour les réalisateurs, les commanditaires et les partenaires de l'industrie, et, plus important encore, pour vous, les spectateurs qui prendront plaisir dans la créativité des réalisateurs d'ailleurs et d'ici-même au Nouveau Brunswick. Venez fêter avec nous le meilleur du cinéma au Festival Silver Wave en 2013 !

Tony Merzetti, Directeur Exécutif NB Filmmakers' Co-operative

## Message from the President NB Filmmakers' Co-operative

The Silver Wave Film Festival exhibits the very best of New Brunswick cinema. The province has a rich cinematic history and every year the Film Festival is a celebration of New Brunswick film culture. With the advent of digital technology, we are experiencing a renaissance of creative, innovative film production in the province. The new found technological accessibility, along with a vibrant synergistic film community, has produced some of the finest work in recent years. Ranging from art films, genre pictures, documentaries, and music videos – the Silver Wave Film Festival has something for everybody.

While doing an interview with CBC a few years ago I was asked who were my influences. When I replied with names of local filmmakers, writers, and musicians, the host said they were surprised I did not mention Scorsese or Spielberg. I do not look towards Hollywood for inspiration or validation; all I need to do is look out my window. Every year I am amazed by the local talent that appears on the Silver Wave Film Festival screens, and every year I am inspired by my New Brunswick filmmaking peers.

The grass roots style of the Silver Wave Film Festival provides an intimate environment for both filmmakers and audiences. Aspiring filmmakers can meet industry professionals, participate in workshops, and learn about the local film scene. Enjoy!

Tim Rayne, President, NB Filmmakers' Co-operative

## Message du Président de la NB Filmmakers' Co-operative

Le Festival du Film Silver Wave exhibe le meilleur du cinéma du Nouveau Brunswick. La province possède une tradition cinématographique riche et chaque année le Festival est une célébration de la culture cinématographique de la province. Avec l'arrivée de la technologie digitale, nous vivons une renaissance de la production cinématographique créative et innovatrice dans la province. L'accès récent aux technologies couplé à une communauté dynamique en synergie a donné ses fruits dans les dernières années. Allant des films artistiques ou traditionnels, aux documentaires et aux vidéoclips musicaux, le Festival du Film Silver Wave en a pour tous les goûts.

En faisant un entretien avec Radio Canada il y a quelques années, on m'a demandé mes influences. Quand j'ai donné les noms de réalisateurs, d'écrivains et de musiciens locaux, l'animateur a été surpris que je ne mentionne ni Scorsese ni Spielberg. Je ne cherche ni l'inspiration ni la validation à Hollywood car tout ce dont j'ai besoin se trouve dans mon voisinage. Chaque année, je suis émerveillé par le talent local qui se présente au Festival du Film Silver Wave et chaque année, je m'inspire de la production de mes pairs du Nouveau Brunswick!

Le style populaire du Festival du Film Silver Wave nous offre une ambiance intime autant pour les réalisateurs que pour le public. Les réalisateurs en herbe peuvent rencontrer des professionnels de l'industrie, participer à des ateliers et s'informer sur la scène locale du film. Profitez-en!

Tim Rayne, Président, NB Filmmakers' Co-operative

## Message from Premier David Alward

For over a decade now, the New Brunswick Silver Wave Film Festival has celebrated New Brunswick-made short films, feature films and documentaries that have been filmed here and produced by New Brunswick filmmakers. The festival also provides a great opportunity to showcase films from all over the world at various venues throughout Fredericton. This year, the festival will provide film enthusiasts with an opportunity to see some of the great work our filmmakers have recently produced. Our rich and diverse cultural identity is what helps define us and is a source of pride for New Brunswickers. This festival is a great way to celebrate our New Brunswick successes and to view some outstanding films. Our province is pleased that the festival continues to be successful, year after year. I commend the New Brunswick Filmmakers' Co-operative for leading and organizing this event. New Brunswick filmmakers and film organizations make this celebration possible. I would also like to thank the many professionals and volunteers who have dedicated their time and effort to making the festival a success.

Congratulations Gia and Tony on your feature film "*All the Wrong Reasons*" opening Silver Wave this year!

All the best for another successful festival in 2013.

Honourable Premier David Alward

## Un message du premier ministre David Alward

Depuis plus d'une décennie, le Festival du film Silver Wave du Nouveau-Brunswick met en vedette les courts métrages, longs métrages et documentaires qui ont été filmés ici et réalisés par des cinéastes néo-brunswickois. À l'occasion de cet événement, des films du monde entier sont également présentés à divers endroits à Fredericton. Les cinéphiles auront l'occasion de voir certaines des grandes oeuvres réalisées récemment par des Néo-Brunswickois. Notre identité culturelle riche et diversifiée, voilà ce qui nous définit, et nous en sommes très fiers. Le festival est l'occasion idéale de souligner les succès du Nouveau-Brunswick et de voir d'excellents films. Le Nouveau-Brunswick est fier du succès que remporte ce festival année après année. Je félicite la New Brunswick Filmmakers' Co-operative d'avoir organisé et dirigé cet événement. Ce sont les cinéastes et les organismes cinématographiques du Nouveau-Brunswick qui rendent cet événement possible. Je tiens également à féliciter les nombreux professionnels et bénévoles qui ont consacré temps et efforts pour assurer le succès du festival.

Félicitations à Gia et Tony qui ouvrent le Festival Silver Wave cette année avec leur film "*All the Wrong Reasons*"!

Je souhaite à toutes et à tous un festival des plus réussis.

L'honorable Premier ministre David Alward

Loss of one's identity drives this ensemble film from first time feature writer/director Gia Milani. Cory Monteith stars as an ambitious department store manager whose wife (Karine Vanasse) copes with a loss as co-worker (Kevin Zegers) battles back from a traumatic injury and cashier (Emily Hampshire) takes advantage of it all.

Bravo to Milani for winning the best emerging filmmaker prize at TIFF!
