Message from the Executive Director NB Filmmakers' Co-operative

Welcome to the 14th edition of the Silver Wave Film Festival. The New Brunswick Filmmakers' Co-operative is delighted to once again be bringing together the best films and filmmakers from New Brunswick and beyond.

Filmmakers by their very nature are collaborators. Specialists in many fields come together to realize a unified vision. Silver Wave has also built collaborative relationships over the years. This year we are excited to be working with several screening partners including: Cinema Politica, Canadian Labour International Film Festival, Atlantic Film Festival – Viewfinders, Le Festival international du cinéma francophone en Acadie, CinéRelève and CHSR.

The festival would not be possible without the generous support of the sponsors, industry partners and particularly the volunteers. We hope that you will join us in celebrating the wonderful cinematic creativity of the film artists being presented. Enjoy the show!

Message du Directeur Exécutif de la NB Filmmakers' Co-operative

Bienvenus à la quatorzième édition du Festival du Film Silver Wave. La Coopérative des réalisateurs du Nouveau Brunswick se réjouit de pouvoir réunir encore une fois les meilleurs films et réalisateurs du Nouveau Brunswick et d'en dehors de la province.

Les producteurs de films sont, de nature, des collaborateurs. Des spécialistes de tous azimuts s'associent pour créer une vision unique. Au fil des années, le festival a aussi permis plusieurs collaborations. Cette année nous sommes heureux de compter plusieurs partenaires dont Cinema Politica, le Festival canadien du film international des travailleurs (CLIFF), le Festival du film de l'Atlantique - Viewfinders, the Festival international du cinéma francophone en Acadie, CinéRelève et la radio CHSR.

Le festival ne pourrait pas avoir lieu sans l'appui généreux des commanditaires, de nos partenaires de l'industrie et surtout de nos bénévoles. Nous espérons que vous vous joindrez à nous pour célébrer la créativité cinématographique des artistes du cinéma qui sont présents. Bon spectacle!

Donovan Richard

Message from the President NB Filmmakers' Co-operative

Welcome to the 14th Silver Wave Film Festival.

When the Silver Wave Film Festival (formerly Tidal Wave) came into existence in November 2001, it showcased a small selection of original NB films, international shorts, documentaries and features. These were well received and the festival surpassed all expectations. Year after year these expectations kept being surpassed and the screenings of original New Brunswick films grew exponentially.

The idea then was not only to gather together fellow actors, crew members, filmmakers, friends and family at the festival, but more importantly, to get the general public to embrace it. This goal was certainly achieved time and time again. We are now 14 years later and the Silver Wave Film Festival grows stronger and garners new followers each year.

Without this significant festival and its annual selection of NB produced films, the New Brunswick film landscape would be very different. I want to thank the members of the community, sponsors, staff and volunteers for making this festival such a great and wonderful event. Special thanks to all the participating filmmakers who make this event possible.

Message du Président de la NB Filmmakers' Co-operative

Bienvenue au 14e festival de cinéma Silver Wave.

Lorsque le festival de cinéma Silver Wave (anciennement Tidal Wave) fut créée en novembre 2001, il présentait une petite sélection de films originaux du NB, de courts métrages internationaux, des documentaires et de longs métrages. Ceux-ci furent bien accueillies et le festival dépassa toutes les attentes. Année après année, ces attentes seront dépassés sans cesse et les projections de films originaux du Nouveau-Brunswick augmenteront de façon exponentielle.

L'idée était donc non seulement de rassembler les comédiens, membres de l'équipe de tournage, cinéastes, amis et membres de famille au festival, mais plus important encore, s'assurer que le grand public l'embrasse aussi. Cet objectif a été atteint maintes et maintes fois. Nous sommes maintenant 14 ans plus tard et le festival de cinéma Silver Wave devient encore plus important et recueille de nouveaux adeptes à chaque année.

Sans cet important festival et sa sélection annuelle de productions de films du Nouveau-Brunswick, le paysage cinématographique du Nouveau-Brunswick serait très différent. Je tiens à remercier les membres de la communauté, les commanditaires, le personnel et les bénévoles pour faire de ce festival un si grand et merveilleux événement. Et merci à tous les participants qui rendent cet événement possible.

Britany Sparrow

Message from the Vice President NB Filmmakers' Co-operative

It is with great pleasure that I welcome you all to the 14th annual Silver Wave Film Festival. Each year filmmakers from around the province and away come together to celebrate their films and show them off to their peers, friends and family, and movie lovers alike. We are proud to showcase the talent of the many artists, craftspeople, technicians, actors, and others who work so hard to create and screen their films.

The Silver Wave Film Festival has come to mean a great deal to the community whether you are a filmmaker, a movie buff, or a supporter of local artists. The independent film community in New Brunswick is a melting pot of creative, talented people who create for the love of creation and make art with little to no funding because filmmaking is their passion in life. The camaraderie, companionship, and creative collaboration between filmmakers in this province is a wonder to behold, and Silver Wave is an opportunity for everyone to get together and celebrate themselves and each other. Each year at Silver Wave the quality of films continues to go above and beyond what came before it and we are excited to share this year's program with you. Whether you enjoy comedies, dramas, documentaries, or even horror films, there is something for you at this festival. On behalf of the filmmakers, the New Brunswick Filmmakers' Co-operative, its staff, board and membership, I want to thank our sponsors, as well as the festival goers for all of the support this weekend and all year round. Please sit back, relax, and enjoy the show!

Message de la vice-présidente de la NB Filmmakers' Co-operative

C'est avec grand plaisir que je vous souhaite à tous la bienvenue au quatorzième festival du film annuel Silver Wave. Chaque année, des réalisateurs de toute la province et de l'au-delà se réunissent pour célébrer leurs films et les montrer autant à leurs pairs, qu'à leurs amis, à leurs familles et aux cinéphiles. Nous sommes fiers de présenter le talent des nombreux artistes, artisans, techniciens, acteurs, et des autres membres qui travaillent si fort pour créer et projeter leurs films.

Qu'on soit réalisateur, cinéophile ou partisan du travail des artistes locaux, le festival du film Silver Wave est devenu une réunion incontournable. La communauté indépendante du cinéma au Nouveau-Brunswick est un melting-pot de gens inventifs et talentueux, qui créent pour l'amour à la tâche et font le labeur avec peu de financement (souvent aucun) parce que faire des films est leur passion vitale. La camaraderie, l'amitié et les collaborations créatives entre les réalisateurs de cette province est toujours surprenante et impressionnante; le festival Silver Wave est une opportunité pour tous de se réunir et de fêter leurs propres œuvres ainsi que celles des autres. Avec chaque année qui passe, la qualité des films du festival Silver Wave continue à surpasser ce qui a été présenté l'année d'avant et nous sommes heureux de pouvoir partager le programme de cette année avec vous. Que vous aimiez les comédies, les drames, les documentaires ou les films d'horreur, vous trouverez lors du festival quelque chose à votre goût. De la part des réalisateurs, de la Coopérative des Réalisateurs du Nouveau Brunswick, de ses employés, son conseil d'administration, et ses membres, je tiens à remercier nos commanditaires ainsi que nos bénévoles et le grand public pour leur appui cette fin de semaine et tout au long de l'année. Nous vous souhaitons un agréable festival et de beaux spectacles!

Message from Premier Brian Gallant

Now in its 14th year, the Silver Wave Film Festival continues to celebrate New Brunswick-made short films, feature films and documentaries that have been filmed in the province and produced by New Brunswick filmmakers.

This year's festival showcases programming of all genres and lengths, including works by youth, Francophone, Anglophone, and multi-cultural creators. Experienced and emerging producers and filmmakers will also have opportunities to learn together. This festival is a great way to celebrate our New Brunswick successes and to view some outstanding films.

Our rich and diverse cultural identity is what helps define us and is a source of pride for New Brunswickers. Our government is pleased that the Silver Wave Film Festival continues to be successful, year after year. I commend the New Brunswick Filmmakers' Co-operative for leading and organizing this event. New Brunswick filmmakers and film organizations make this celebration possible. I would also like to thank the many professionals and volunteers who have dedicated their time and effort to making the festival a success.

All the best for another successful festival this year.

Honourable Premier Brian Gallant

Un Message du premier ministre Brian Gallant

Le Festival du film Silver Wave, qui en est à sa 14^e année, continue de présenter des courts métrages, des longs métrages et des documentaires qui ont été tournés dans la province et réalisés par des cinéastes néo-brunswickois.

Le festival de cette année propose une programmation variée d'œuvres de cinéastes multiculturels, anglophones, francophones, et de la relève. Des courts et longs métrages de tous les genres seront à l'honneur. Les producteurs et les cinéastes tant débutants que chevronnés auront l'occasion d'apprendre ensemble. Le festival est l'occasion idéale de se réjouir des succès du Nouveau-Brunswick et de voir d'excellents films.

Notre identité culturelle riche et diversifiée, voilà ce qui nous définit et nous rend fiers, nous les gens du Nouveau-Brunswick. Le gouvernement est ravi du succès que remporte ce festival année après année. Je félicite la New Brunswick Filmmakers' Co-operative d'avoir organisé et dirigé ce festival qui ne pourrait avoir lieu sans la participation des cinéastes et des organismes cinématographiques d'ici. Je tiens également à féliciter les nombreux professionnels et bénévoles qui n'ont pas ménagé leurs efforts pour faire de ce festival un véritable succès.

Je souhaite à tous et à toutes un festival des plus réussis!

L'honorable Premier ministre Brian Gallant

Cesar's Last Fast

Director: Richard Ray Perez, Lorena Parlee/**Length:** 100:00/English and Spanish/USA

In 1988, Cesar Chavez embarked on what would be his last act of protest in his remarkable life. Driven in part to pay penance for feeling he had not done enough, Chavez began his "Fast for Life," a 36-day water-only hunger strike, to draw attention to the horrific effects of unfettered pesticide use on farm workers, their families, and their communities. Using never-before-seen footage of Chavez during his fast and testimony from those closest to him, directors Richard Ray Perez and Lorena Parlee weave together the larger story of Chavez's life, vision, and legacy.

A deeply religious man, Chavez's moral clarity in organizing and standing with farmworkers at risk of his own life humbled his family, friends, and the world.
