Message from the Executive Director NB Filmmakers' Co-operative

A warm welcome to everyone as we celebrate the fifteenth anniversary of the Silver Wave Film Festival. It has been an incredible journey so far, and we are delighted to once again be able to showcase the best films from New Brunswick and away.

This past year has been a challenging one for our colleagues in the commercial film industry both here and in Nova Scotia. We hope that the situation will improve in the coming year and that we can look forward once again to a thriving industry in the Atlantic region.

Our filmmakers are a resilient lot and judging by the quality of the work on display this year, they are pouring their hearts into their stories. We hope that you will join us in celebrating the creative cinematic content of the film artists from New Brunswick and beyond.

Message du Directeur Exécutif NB Filmmakers' Co-operative

Une chaleureuse bienvenue à tous en cette quinzième édition du Festival du Film Silver Wave. Jusqu'à maintenant notre aventure a valu le détour et nous nous réjouissons de pouvoir présenter encore une fois les meilleurs films du Nouveau Brunswick et d'en dehors de la province.

Cette dernière année a été difficile pour nous collègues de l'industrie commerciale cinématographique, autant ici qu'en Nouvelle Écosse. Nous avons espoir que la situation s'améliore dans l'année qui vient et que nous pourrions retrouver avec joie un milieu florissant dans la région atlantique.

Nos réalisateurs font partie d'un groupe tenace et, à en juger par la qualité des œuvres que nous vous présenterons, ils mettent cœur et âme dans leurs films. Nous espérons que vous vous joindrez à nous pour célébrer la créativité cinématographique des artistes du cinéma du Nouveau Brunswick et d'en dehors de la province.

Donovan Richard

Message from the President NB Filmmakers' Co-operative

Welcome to the 15th Silver Wave Film Festival.

Once more the Silver Wave Film Festival has received a multitude of projects and we are proud to have all of our expectations surpassed once again with the quality and diversity of productions this year. We are also pleased to celebrate and highlight our local New Brunswick filmmakers who provide a voice and vision for our part of the country.

I sincerely hope that everyone will enjoy another inspiring film festival. I would like to thank all of our volunteers who help make this event such a great success. I would also like to acknowledge the hard work and dedication of our staff to organize and run such an efficient film festival.

Furthermore, we cannot forget our filmmakers without whom this film festival would not exist.

Finally, I wish to thank our sponsors and the members of the community who support our filmmakers and film festival year after year.

Message du Président NB Filmmakers' Co-operative

Bienvenue au 15ième Festival du film Silver Wave.

Une fois de plus le festival du film Silver Wave a reçu une multitude de projets. Nous sommes fiers d'avoir dépassé toutes nos attentes pour la qualité et la diversité des productions une fois de plus cette année. Nous sommes ravis d'honorer et d'appuyer nos cinéastes du Nouveau-Brunswick qui fournissent une voix et une vision de notre petite partie du pays.

Je souhaite sincèrement que tout le monde profite d'un nouveau festival de film passionnant. Je tiens à remercier tous nos bénévoles qui contribuent à faire de cet événement un grand succès. Je voudrais également souligner le travail acharné et le dévouement de notre personnel dans l'organisation et la réalisation si compétente de ce festival de film.

En outre, nous ne pouvons pas oublier nos cinéastes, sans qui ce festival du film ne pourrait exister.

Enfin, je tiens à remercier nos commanditaires et les autres membres de la communauté qui soutiennent nos cinéastes et ce festival du film année après année.

Britany Sparrow

Message from the Vice President NB Filmmakers' Co-operative

On behalf of the New Brunswick Filmmakers' Co-operative and its staff, board and membership, I am pleased to welcome you to the 15th annual Silver Wave Film Festival. For 15 years, Silver Wave has been bringing together filmmakers from around the province to celebrate another year of movie making in New Brunswick. Every year, the quality of the films that come out of New Brunswick continues to improve, and this year's Silver Wave is a wonderful opportunity to showcase and celebrate all of the writers, directors, actors, technical crew, and all of the others who work so hard to tell New Brunswick stories on film.

The independent film community in New Brunswick is a truly unique and special thing. The filmmakers here are passionate, resourceful, creative, and above all else committed to their art simply for the joy of creating art. At the heart of this community, the Silver Wave Film Festival gives a platform for filmmakers to celebrate their hard work and dedication to their craft, and allows the rest of the community an inside look at what makes New Brunswick, and its filmmakers, something worth talking about.

I want to thank Silver Wave's many supporters, from our sponsors, the members of the community, and the many volunteers whose hard work makes the festival possible.

Message de la vice présidente NB Filmmakers' Co-operative

De la part de la NB Film Coop, ses employées, son conseil d'administration et ses membres, j'ai le plaisir de vous souhaiter à tous la bienvenue au quinzième festival du film annuel Silver Wave. Depuis quinze ans, les réalisateurs de toute la province se réunissent pour célébrer une autre année de production au Nouveau Brunswick. Chaque année la qualité des films qui se font ici s'améliore et le festival de cette année nous permet souligner le talent des nombreux artistes, artisans, techniciens, acteurs, et des autres membres qui travaillent si fort pour créer et projeter leurs films.

La communauté indépendante du cinéma au Nouveau-Brunswick est vraiment unique et spéciale. Les réalisateurs d'ici sont passionnés, créatifs, débrouillards, et surtout consacrés à leur art, juste pour le plaisir de créer. Au cœur de cette communauté, le Festival du film Silver Wave permet aux réalisateur de trouver un tribune où fêter leur labeur et dévouement à leur métier, et permet au reste de la communauté de découvrir que le Nouveau Brunswick et ses réalisateurs valent le détour.

Je tiens à remercier tous ceux qui nous appuient, que ce soit nos commanditaires ou le grand public, et nos nombreux bénévoles dans la réalisation de ce festival. Il n'existerait pas sans eux.

Best wishes for a successful festival.

Honourable Brian Gallant, Premier

Je vous souhaite la bienvenue au Festival du film Silver Wave 2015, qui célèbre cette année son 15^e anniversaire.

Le Festival du film Silver Wave s'est forgé la réputation d'être l'activité la plus importante, non seulement dans la région de Fredericton, mais dans l'ensemble de la province, car il met en vedette les films réalisés au Nouveau-Brunswick ainsi que du monde entier.

Pour les cinéastes du Nouveau-Brunswick, le Festival constitue une plate-forme nécessaire de communication de leur immense talent et de leur passion pour les films.

Je profite de l'occasion pour remercier ceux et celles qui font que le Festival du film Silver Wave est un succès retentissant année après année. Je félicite, en particulier, le personnel et le conseil d'administration de la New Brunswick Filmmaker's Cooperative ainsi que les bénévoles pour leur dévouement et leur engagement envers la production de films.

Nous sommes très chanceux de pouvoir organiser des activités de classe mondiale comme le Festival du film Silver Wave ici, au Nouveau-Brunswick. Elles nous donnent l'occasion de montrer à la population néo-brunswickoise ainsi qu'aux visiteurs tout ce que les films du Nouveau-Brunswick ont à offrir.

Je vous souhaite un festival des plus réussis.

L'honorable Brian Gallant, premier ministre

Little Bay Islands

Director: Jason Arseneault/**Producer:** Millefiore Clarkes/**Length:** 15:45/**Belfast, Prince Edward Island, 2015**

History appears to be repeating itself in Newfoundland. Despite recent improvements to the provincial economy, a number of small towns and villages face deteriorating economic circumstances and challenges resulting from living far from urban centers. One of those towns is Little Bay Islands, where the 72 remaining residents are confronting difficult questions about the future of their village: should they stay or should they go?

Reboot: Rebuild

Director: Ian Estey/**Writer/Producer:** Ian Estey, Jeffrey Kelley/**Length:** 23:01/**Hampton, New Brunswick, 2015**

Chronicling the emotional and physical comebacks of amateur bodybuilders who use the sport of bodybuilding as a means of healing mind, body, and soul. Featuring author and natural bodybuilder Jeffrey Kelley, who returns to the sport after a ten-year absence, embracing an overall healthy lifestyle. Joining us on this journey are cancer survivors Amanda Denton and Randy Davis, who also use the sport of bodybuilding to reboot and rebuild.

Then Then Then

Director/Producer: Daniel Schioler/**Length:** 29:50/**Montreal, Quebec, 2015**
When protest fails, what's left?

A hypnotic and unsettling blend of archival footage and music, Then Then offers a stark glimpse into the moral struggles of a generation coming to terms with its own inability to affect social change. Lesser-known acts of protest spotlight dissenters' turn to more radicalized acts of protest against those in power and the machinery designed to stifle their opposition.

This meditation on civil disobedience is a timely reminder of the lengths some have gone to in order to have their voices heard.

Presented By:

Noon Gun

Director/Writer: Caley MacLennan/Producer: Caley MacLennan, Jessica Brown/Cast: Jarrett Shaw, Holly Ovadia, Gloria Williams, Taylor Olson, Mo Brown, David Wojcik/Length: 70:00/Halifax, Nova Scotia, 2015

Every day in Halifax, a neutered but ceremonial blast fires from a cannon. The Noon Gun sends a rattle through the old wooden homes of the North End.

Within one of these homes, an elderly woman dotes over her graffiti writer grandson. An interracial couple walk tensely down a side street. A recovering alcoholic cop lectures his street-wizened young partner as they walk the beat.

On one day in particular, the Noon Gun blast ties these groups into a sequence of events. As these events unfold, each group's perspective grows, obscuring reality and ultimately affecting each other's lives.

Noon Gun is a story ripped from writer/director Caley MacLennan's heart. Focused on storytelling and performance, the style is reminiscent of Dogme 95 films.

New Brunswick Documentary Showcase

Sunday – November 8, 2015 – 4:00 PM

Screening Venue: Charlotte Street Arts Centre

Presented By:

The Utrecht Seals/Les sceaux d'Utrecht (French with English Subtitles)

Director/Writer: Paul Bossé/Producer: Suzette Lagacé, Mozus Productions/Host: Samian/Length: 91:00/Moncton, New Brunswick, 2014

The Utrecht treaty was signed in 1713. It changed the face of the world. This documentary, hosted by the Algonquin Métis rapper Samian, tells the story from the point of view of those who were not at the table to sign this most important treaty that had consequences for all populations of America.

Examining these events, we are reminded of the foundation of our existing economy which is still based on the devastating extraction of our natural resources, and we discover the attitudes and mentality of the Aboriginals, the Acadians, and the Europeans in their relationship to the exploitation of this land.
